What is the air-conditioned square footage of your home?_____

☐ STRUCTURED WIRING ☐ NETWORK /WIFI

1. What company is going to provide your internet service?

   _____

2. Who maintains your existing network / Wifi? ☐ N/A
3. ☐ Myself / Family Member ☐ Professional
4. Will you have a typical landline phone? ☐ Yes ☐ No
5. Do you have good cell phone reception at the new home location?
   ☐ Yes ☐ No ☐ Not Sure
5. Will you have a metal roof on your home? ☐ Yes ☐ No
6. Will your home have an elevator?
   ☐ Yes ☐ No ☐ Framed for the future but not installed
7. If a home theater is in your plans, will a ceiling projector be installed?
   ☐ Yes ☐ No
8. Are you interested in the installation of fiber as part of your structured wiring plan? ☐ Yes ☐ No

☐ SURVEILLANCE CAMERAS ☐ VIDEO DOORBELL

Camera Systems come in two types:

(1) Onsite Network Video Recorder (NVR) Hard Drive Models

* The traditional hard drive system will include cameras connected to an onsite NVR for event video storage. Viewing the cameras will be accomplished via an app. The installation charge is typically higher than cloud-based systems but there is not an ongoing service fee.

(2) Cloud-Based Video Storage Models

Cloud-based systems store video via clips in the cloud. Viewing is also accomplished via a smart phone app. This system will typically be less in installation cost but will require a monthly service fee to record & view the video software.

1. I am interested in a ☐ Onsite NVR System ☐ Cloud-Based System.
2. Please list all areas inside and/or outside your home that you would like to view with cameras. Note: With standard installation the cameras will be viewed within an app. _____

   _____

3. In addition to the app, will you require a dedicated viewing monitor? ☐ Yes ☐ No *If yes, where?* _____
4. How long would you like to retain recorded activity from the cameras? _____ 10 Days _____ 14 Days _____ 30 Days Other _____
5. Are you interested in a video doorbell? ☐ Yes ☐ No
6. Cameras require fast UPLOAD speed from your internet service provider to product quality video viewing, 20Mg or more is the required speed. What is your speed? _____Mg ☐ Not Sure
7. Do you have strong Wi-Fi at all the locations that you would intend to have cameras installed? ☐ Yes ☐ No ☐ Not Sure
8. Do you have good exterior lighting? This is very important for standard cameras to obtain video images at night. ☐ Very Bright
   ☐ Probably Standard ☐ Poor ☐ None
9. Are you replacing an existing system? ☐ Yes ☐ No *If yes, are you trying to salvage any equipment?* ☐ Yes ☐ No
10. Is your primary objective for a camera system to: ☐ Provide a General View ☐ Facial Recognition and/or Money Transactions

☐ INTRUSION ☐ LIFE SAFETY ☐ CRITICAL DETECTION

1. When would you use your security system? *Please check all that apply:* ☐ While Sleeping ☐ While Away ☐ While at Home
2. Are there special needs within the family? (i.e. deaf, blind, aging parent, etc.) ☐ Yes ☐ No *If yes, please specify.*

   _____

3. Are your windows & doors impact resistant glass?
   ☐ Yes ☐ No ☐ Not Sure
4. Will there be a family safe room? ☐ Yes ☐ No
5. Are there areas of the home that need separate control from the main system? *Please check all that apply:*
   ☐ Safe ☐ Gun Closet
   ☐ Guest / Pool House ☐ Owner's Locked Closet
   ☐ Other _____
6. Are there other areas on your property that you would like to be alerted when someone enters? (i.e. from the water, entering the driveway, etc) _____

   _____

7. Do you have inside free roaming pets? *If yes, how many of each?*
   ☐ Yes ☐ No ☐ Dog(s) _____ ☐ Cat(s) _____
   What is your largest pet's weight? _____
8. Does your insurance company require monitored smoke detectors?
   ☐ Yes ☐ No ☐ Not Sure
9. Do you currently have a home or business using a security app?
   ☐ Yes ☐ No *If yes, what brand?* _____
10. Will there be gas appliances? ☐ Yes ☐ No
    If yes, please check all gas appliances within the home:
    ☐ Rinnai Tankless ☐ Hot Water Tanks ☐ Range
    ☐ Dryer ☐ Fireplaces
11. If applicable, do you want central station monitored gas leak detection?
    ☐ Yes ☐ No
12. If gas leak detection is applicable, is it Natural Gas or LP?
    ☐ Natural ☐ LP
13. To help eliminate flood damage due to leaking or ruptured plumbing pipes, we recommend that your plumber install a main water shut-off valve for your entire home.
    To enhance the usage of such valve, we can interface to the provided valve allowing on / off control of the valve through the Arm / Disarm function of your security system. Is this integration something you are interest in? ☐ Yes ☐ No
    * If yes, please inform your architect or contractor of this option to assure communication is provided to the plumber.

☐ SMART DOOR LOCKS ☐ GARAGE DOOR CONTROL

1. Would you be interested in locking / unlocking your doors remotely?
   ☐ Yes ☐ No *If yes, which doors?*_____
2. If yes, are any of those doors 3 or 5 point locking system type?
   ☐ Yes ☐ No ☐ Not Sure
3. Will there be a controlled front driveway gate? ☐ Yes ☐ No
4. Would you be interested in operating your garage door(s) remotely via your phone? ☐ Yes ☐ No
   This feature gives you the ability to provide a weather / theft proof "package port" for securing deliveries.
   ** Ask your contractor to install MyQ Garage Door Motors.*

☐ CLIMATE CONTROL

1. Would you be interested in controlling all your thermostats from one app? ☐ Yes ☐ No *If yes, please answer the following question:*
   How many air conditioning units will be installed? _____

☐ AUTOMATION CONTROLLERS

For large Whole House Integration Systems we offer the following control platforms: Crestron, Josh.ai and Control4. Utilizing a control system for multiple components will ultimately make your system much simpler to use.

1. To accomplish Whole House Integration do you have a preference? ☐ Crestron ☐ Josh.ai ☐ Control4 ☐ Not sure, let's discuss the differences.

☐ MUSIC AND TELEVISIONS

1. Is there a dedicated closet for all Audio / Video components?
   ☐ Yes ☐ No ☐ Not Sure
   ***Important note: Audio/Video equipment produces heat; therefore, for large installations a return air vent is required to be installed in the A/V closet by your HVAC contractor.**
2. Are you installing ultra thin "Art" or "Frame" TV's? ☐ Yes ☐ No
   If Yes, please specify which rooms. _____
   _____
   _____
3. Are you installing flat panel TV's on the wall without furniture or cabinets? (i.e. above fireplace, porches, etc.)
   ☐ Yes ☐ No *If yes, please specify which rooms:*
   _____
   _____
   _____
4. Will you have a dedicated home theater?
   ☐ Yes ☐ No *If yes, do you have a theater designer?*
   _____
5. Do you want surround sound in any rooms? ☐ Yes ☐ No
   If yes, please specify which rooms: _____
   _____
6. Will a video game console be used? ☐ Yes ☐ No
   If yes, what rooms? _____
7. In terms of audio listening, would you consider yourself:
   ☐ Audiophile ☐ Fine Listening
   ☐ Good Background ☐ Entertainment Times Only
8. Will you incorporate CDs or vinyl albums into your Audio System?
   ☐ Yes ☐ No *If yes, which:* _____
9. Please list the rooms where stereo speakers will be located including porches and pool areas.
   _____
   _____
   _____
   _____
   _____

☐ LIGHTING CONTROL

1. Are you familiar with Lutron or any other lighting control system?
   ☐ Yes ☐ No
2. Do you like the concept of "never come home to a dark house"
   ☐ Yes ☐ Not Important
3. Would you like to create a pathway of lighting, with one simple button push? ☐ Yes ☐ No
4. Would you like to remove multiple light switches from walls in areas such as the foyer and formal living areas? ☐ Yes ☐ No
5. Would you enjoy the ease of setting different lighting levels in multiple rooms from one location? ☐ Yes ☐ No
6. Will you be using dimmable L.E.D. lightbulbs or fixtures?
   ☐ Yes ☐ No ☐ Not Sure
7. Do you have a lighting designer for this project? ☐ Yes ☐ No
   If yes, Name _____ *Phone* _____

MOTORIZED SHADES AND DRAPES

1. Are you familiar with Lutron and/or Hartmann & Forbes? ☐ Yes ☐ No
2. Would you be interested in motorized custom shades? ☐ Yes ☐ No *If yes, please list the rooms:*

_____ _____
_____ _____
_____ _____
_____ _____
_____ _____

CENTRAL CLEANING

1. Would more than one person possibly vacuum at the same time?
   ☐ Yes ☐ No
2. What is the primary flooring surface for the main living area?
   ☐ Hardwood ☐ Tile/Stone Carpet / Rugs
3. What is the primary flooring surface for the bedroom areas?
   ☐ Hardwood ☐ Tile/Stone ☐ Carpet / Rugs
4. Would you be interested in automatic vac pans*?

   * Vac pans are small inlets installed at floor level as a receptacle for dirt to be swept in with a broom. ☐ Yes ☐ No

   If yes, please check all that apply:

   ☐ Kitchen ☐ Hobby Room
   ☐ Master Bath ☐ Garage Entry Area
   ☐ Pool Bath ☐ Other _____

SMART TINT – SMART GLASS

Smart Tint is a product that is applied to your existing smooth glass that will create privacy by switching from clear to frosted. Control can be accomplished via a wall switch, remote control, smart phone command or with our automation products. This cutting-edge technology not only provides a clean look for privacy, but it also blocks 99% of UV Rays and Solar Heat.

1. Would you be interested in a quote for this product? ☐ Yes ☐ No *If yes, please list the rooms below:*

_____ _____
_____ _____

MAGNATRACK MOTORIZED OUTDOOR SCREENS

1. Are you interested in outdoor motorized screens?
   ☐ Yes ☐ No
   If yes, please list all areas that are under consideration:

   _____
   _____
   _____
2. Would you prefer the tracks to be recessed into the home or columns?
   ☐ Yes ☐ No ☐ Not Sure

   * Tracks guide the screens as they move up and down and are typically installed in one of two ways: surface-mounted or recessed. If the goal is to conceal the tracks and / or housing unit, the home's structure and columns must be framed to accommodate that installation. Coordination with your Architect and Contractor is extremely important to ensure the proper design, fit and finish.
3. Would you like the screens integrated to a single app-automation platform? ☐ Yes ☐ No ☐ Not Sure
